Petition to the House of Commons in Parliament assembled, WHEREAS

Canadians want an end to Canadian participation in the Global Pandemic Treaty, to pull out of the UN and federal government representatives not to sign the Global Pandemic Treaty.

The proposed WHO agreement is unnecessary, and is a threat to sovereignty and inalienable rights. It increases the WHO's suffocating power to declare unjustified pandemics, impose dehumanizing lockdowns, and enforce expensive, unsafe, and ineffective treatments against the will of the people.

The people have a right to participate in any agreement that affects their lives, livelihoods, and well-being. However, the WHO has not engaged in a process of public participation, which is evidence that its priority is capturing more power for itself and its corporate accomplices, than serving the interests of the people. Without an unbiased democratic process, any agreement by the WHO, acting via the United Nations, will be unlawful, illegitimate, and invalid.

Historically, the WHO leadership has failed the people. Among many examples, it approved the injurious H1N1 (swine flu) vaccine for a controversially declared pandemic. Equally, the WHO failed during the Covid-19 chapter as it encouraged lockdowns, suppressed early preventive treatments, and recommended product interventions that have proven to be neither safe nor effective.

The WHO cannot be allowed to control the world's health agenda, nor enforce biosurveillance. While it receives funding from public sources belonging to the people, it is caught in a perpetual conflict of interest because it also receives substantial funding from private interests that use their contributions to influence and profit from WHO decisions and mandates. For example, the Gates Foundation and the Gates-funded GAVI vaccine promotion alliance, contribute over \$1 billion a year.

We, the undersigned citizens and residents of Canada call upon the House of Commons and the Senate to:

- 1. Desist implementing an Agreement by signing the WHO Global Pandemic Treaty;*
- 2. Immediately end all relations to the foreign UN body;*
- 3. Call upon the **Minister of Health** to abolish all participation in the foreign unelected UN Global Pandemic Treaty manipulation of Canadian rights to control our government and medical decisions as constituents;*

Canadians feel the foreign influence through this Global Pandemic Treaty is against the laws of Canada and demand closure.
